TASKS / ROLE

- conduct teaching activities (among others Computer Structural Analysis) in Polish and English
- carry out research work and be ready to participate in research projects and scientific conferences
- perform organizational duties for the Department
- publish research results in scientific journal

REQUIREMENTS

- master of Science in Engineering (M.Sc. Eng.) in the field of engineering and technical sciences, specialization: civil engineering
- experience in conducting academic classes at a higher education institution
- programming skills in Python and MATLAB
- very good knowledge of structural mechanics
- very good knowledge of at least one advanced Finite Element Method-based software package (e.g., HEXAGON Marc)
- experience using the Python programming language to automate numerical calculations performed in commercial computational software (e.g., HEXAGON Marc)
- experience in creating prototypes using 3D printing (resin-based, photopolymer printing)
- experience in organizing events (e.g., conferences)

- proficiency in Polish, both spoken and written (a necessary condition for teaching duties)
- knowledge of English at a minimum B2 level
- experience presenting research results at international conferences

ADDITIONAL REQUIREMENTS

- ability to work in a team
- flexibility in work organization
- research experience confirmed by at least one publication in a JCR- or SCOPUS-indexed journal rated at a minimum of 140 ministerial points
- experience in teaching Autodesk Robot software and programming in MATLAB
- knowledge of 3D printing preparation software (e.g. Chitubox)
- experience in working on research projects

BENEFITS

- work for one of the leading technical universities in Poland
- academic organisational culture based on the principles of respect
- stable employment conditions
- additional annual salary
- opportunity to relax at Gdańsk Tech's Resort, located in the picturesque Kaszub Lake District
- trips abroad within the Erasmus+ program
- internal trainings
- access to the university library
- option to join: employee group life insurance, private medical care, sports and recreation program (Benefit MultiSport card)
- sports activities at Gdańsk Tech's facilities
- on campus there are: kindergarten, baby changing and feeding stations, refreshment kiosks, relaxation areas and free parking lot
- holiday subsidies
- preferential loans
- work in a well-connected place
- and much more... For a full list of benefits visit: <https://chr.pg.edu.pl/en/join-us>

- documents confirming knowledge of the Polish language (in case of candidates for whom Polish is not their native language)
- list of scientific achievements (publications, conference presentations, etc.)
- documents confirming the required qualifications

PLACE AND FORM OF THE OFFERS

- By e-mail to the address: marcin.kujawa@pg.edu.pl
- In the title of e-mail, please enter: Competition for the position of Assistant lecturer at the Department of Structural Mechanics

ELIGIBILITY CRITERIA

The eligibility criteria will relate to the requirements of a given competition and will concern a qualitative and quantitative assessment of the candidate's qualifications, competences, experience and achievements.

ADDITIONAL INFORMATION

- The competition can be finalized without selection of the candidate.
- Winning the competition does not mean that the candidate will be employed. The final decision on employment is made by the rector.
- One can report any special needs related to the recruitment process (interview), resulting from disability, by sending such information to the e-mail address provided in the advertisement.
- [Documents for the candidate.](#)

CONTACT

Note

If you provide data other than: first name(s), surname, date of birth, contact details, education, professional qualifications, previous employment history please include the following clause:

I hereby consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purposes of the recruitment process conducted for the position I am applying for.

Information on the principles for the processing the personal data of job applicants:

1. The Data Controller presented in the job offer is Gdańsk University of Technology with its seat at ul. G. Narutowicza 11/12, in Gdańsk (postal code: 80-233).
2. The Data Controller appointed the Data Protection Officer (DPO), who may be contacted via email address: dpo@pg.edu.pl. You may contact the DPO in all matters relating to the processing of your personal data by Gdańsk University of Technology and the exercise of rights in relation to the processing of personal data. The DPO, however, does not process other matters, like handling the recruitment procedures, collecting recruitment documents, providing information on current recruitment process.
3. Your personal data shall be processed in the scope as provided for in the Labor Code , i.e. given name (names) and family name, date of birth, contact information, education, professional qualifications, previous employment history, for the purposes of this recruitment process (pursuant to Article. 6(1)(c) of GDPR*), whereas other data shall be processed based on your consent (pursuant to Article 6(1)(a) of GDPR*), as follows:
I consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purpose of therecruitment process conducted for the position I am applying for.
4. Your personal data will be stored for a period of 6 months counting from the completion of the recruitment process for the position advertised and, in the case of successful start of employment, until the termination of the employment relationship, and will then be archived and kept for a period of 10 years.
5. The provided data will not be made available to third parties. The recipients of the data will only be institutions authorized by law.
6. Under the terms of the GDPR*, you have the right:
 - a. to access the content of your data,
 - b. to rectify the personal data when they are inconsistent with the reality,
 - c. to delete, limit the processing, as well as data transfer, pursuant to applicable regulations,
 - d. to object to the processing of your data,
 - e. to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection, if you consider that the processing of your personal data violates the provisions on the personal data protection,
 - f. to withdraw your consent at any time (if expressed, without affecting the lawfulness of processing carried out on the basis of the consent before its withdrawal).
7. The personal data provided by you will not be subject to profiling.
8. Providing your personal data to the extent resulting from Art. 22¹ of the Labor Code is obligatory to participate in the recruitment process for the position you applying for. Providing other data by you is voluntary.

*GDPR - Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
