LINK TO JOB OFFER:	<a href="http://pg.edu.pl/en/bip/job-vacancies/AcademicTeacher/3780/download">http://pg.edu.pl/en/bip/job-vacancies/ AcademicTeacher/3780/download</a>

### TASKS / ROLE

- conducting classes in fiber optic technology, photonics, and CAD tools for electronic device prototyping
- conducting research in the fields of electronics and optoelectronics
- publishing research results in peer-reviewed scientific journals
- developing optical systems and modifying optical fibers for research purposes
- participating in scientific and educational initiatives organized by the Department of Optoelectronics
- involvement in the organization and development of teaching and research laboratories at the Department of Optoelectronics

### REQUIREMENTS

- Master of Science degree in a technical field, such as electronics and telecommunications, automation or computer science
- research experience in fiber optic sensors, including hands-on experience in modifying optical fibers

- experience in operating laboratory equipment, including optical spectrum analyzers, spectrophotometers, and reflectometers
- documented research record in the field of electronics, confirmed by publications in international journals (at least two high-impact papers; minimum of 140 points within the last 3 years)
- university-level teaching experience in fiber optic technology and optoelectronics
- proven experience in conducting research and research-and-development projects
- strong teamwork and collaboration skills in multidisciplinary teams
- fluency in Polish, enabling the delivery of lectures as well as the preparation of comprehensive teaching and research documentation
- knowledge of English at a level enabling the preparation of scientific publications and the presentation of research results in an international environment

## **ADDITIONAL REQUIREMENTS**

- skill in PCB design software, e.g., KiCad or Altium Designer
- designing 3D-printed components for custom integration and prototyping within optical systems
- experience in organizing workshops and popular science demonstrations (e.g., during open days or science festivals)

## **BENEFITS**

- work for one of the leading technical universities in Poland
- academic organisational culture based on the principles of respect
- stable employment conditions
- additional annual salary
- opportunity to relax at Gdańsk Tech's Resort, located in the picturesque Kaszuby Lake District
- trips abroad within the Erasmus+ program
- internal trainings
- access to the university library
- option to join: employee group life insurance, private medical care, sports and recreation program (Benefit MultiSport card)
- sports activities at Gdańsk Tech's facilities
- on campus there are: kindergarten, baby changing and feeding stations, refreshment kiosks, relaxation areas and free parking lot
- holiday subsidies
- preferential loans
- work in a well-connected place
- and much more... For a full list of benefits visit: <https://chr.pg.edu.pl/en/join-us>

## **REQUIRED DOCUMENTS**

- CV
- documents confirming obtained academic and professional degrees/titles
- information on professional achievements
- chronological list of published papers
- opinion of one independent researcher is recommended

## **PLACE AND FORM OF THE OFFERS**

- By e-mail to the address: [robbogda@pg.edu.pl](mailto:robbogda@pg.edu.pl)
- In the title of e-mail, please enter: KOEL\_ research and teaching assistant lecturer

## **ELIGIBILITY CRITERIA**

The eligibility criteria will relate to the requirements of a given competition and will concern a qualitative and quantitative assessment of the candidate's qualifications, competences, experience and achievements.

## **ADDITIONAL INFORMATION**

- The competition can be finalized without selection of the candidate.
- Winning the competition does not mean that the candidate will be employed. The final decision on employment is made by the rector.
- One can report any special needs related to the recruitment process (interview), resulting from disability, by sending such information to the e-mail address provided in the advertisement.

- [Documents for the candidates.](#)

### Note

If you provide data other than: first name(s), surname, date of birth, contact details, education, professional qualifications, previous employment history please include the following clause:

***I hereby consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purposes of the recruitment process conducted for the position I am applying for.***

### Information on the principles for the processing the personal data of job applicants:

1. The Data Controller presented in the job offer is Gdańsk University of Technology with its seat at ul. G. Narutowicza 11/12, in Gdańsk (postal code: 80-233).  
2. The Data Controller appointed the Data Protection Officer (DPO), who may be contacted via email address: dpo@pg.edu.pl. You may contact the DPO in all matters relating to the processing of your personal data by Gdańsk University of Technology and the exercise of rights in relation to the processing of personal data. The DPO, however, does not process other matters, like handling the recruitment procedures, collecting recruitment documents, providing information on current recruitment process.  
3. Your personal data shall be processed in the scope as provided for in the Labor Code , i.e. given name (names) and family name, date of birth, contact information, education, professional qualifications, previous employment history, for the purposes of this recruitment process (pursuant to Article. 6(1)(c) of GDPR\*), whereas other data shall be processed based on your consent (pursuant to Article 6(1)(a) of GDPR\*), as follows:  
***I consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purpose of the recruitment process conducted for the position I am applying for.***  
4. Your personal data will be stored for a period of 6 months counting from the completion of the recruitment process for the position advertised and, in the case of successful start of employment, until the termination of the employment relationship, and will then be archived and kept for a period of 10 years.  
5. The provided data will not be made available to third parties. The recipients of the data will only be institutions authorized by law.  
6. Under the terms of the GDPR\*, you have the right:
  - a. to access the content of your data,
  - b. to rectify the personal data when they are inconsistent with the reality,
  - c. to delete, limit the processing, as well as data transfer, pursuant to applicable regulations,
  - d. to object to the processing of your data,
  - e. to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection, if you consider that the processing of your personal data violates the provisions on the personal data protection,
  - f. to withdraw your consent at any time (if expressed, without affecting the lawfulness of processing carried out on the basis of the consent before its withdrawal).  
7. The personal data provided by you will not be subject to profiling.  
8. Providing your personal data to the extent resulting from Art. 22<sup>1</sup> of the Labor Code is obligatory to participate in the recruitment process for the position you applying for. Providing other data by you is voluntary.

\*GDPR - Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
