

**COMPETITION FOR A POSITION OF ASSISTANT PROFESSOR (F/M)
IN THE RESEARCH STAFF GROUP**

Pursuant to Art. 119(1) of the Act of 20 July 2018, Law on Higher Education and Science

INSTITUTION:	Gdańsk University of Technology
ORGANIZATIONAL UNIT:	Faculty of Chemistry, Department of Process Engineering and Chemical Technology
CITY:	Gdańsk
REFERENCE NUMBER:	3800
EMPLOYEES GROUP:	research staff
POSITION:	Assistant professor (f/m)
NUMBER OF OFFERS AVAILABLE:	1
RESEARCHER PROFILE:	Recognised Researcher (R2)
SCIENTIFIC / ARTISTIC DISCIPLINE:	chemical sciences, chemical engineering
POSTED:	19.02.2026
EXPIRES:	21.03.2026
PLANNED DATE OF COMPETITION ENDS:	31.03.2026
PLANNED DATE OF EMPLOYMENT:	01.05.2026
FORM OF CONTRACT:	contract of employment
TYPE OF CONTRACT:	temporary
JOB STATUS:	full-time
HOURS PER WEEK:	40
LINK TO JOB OFFER:	http://pg.edu.pl/en/bip/job-vacancies/AcademicTeacher/3800/download

TASKS / ROLE

Employment of researcher in a project financed by the National Science Centre entitled "New surface-mounted thin films of metal-organic frameworks (SURMOFs) for molecule capture and photoconversion" No. UMO-2025/57/B/ST11/00206.

- co-conducting research work carried out as part of the project tasks, in accordance with the schedule, tasks described in the application, milestones and expected results
- planning, designing and performing research experiments related to the production, modification and characterisation of materials developed in the project;
- developing and improving research methodology, including procedures for the synthesis and modification of materials and physicochemical, sorption and photocatalytic measurements
- scientific supervision of research conducted by doctoral student, including support in interpreting results and solving experimental problems
- analysis, critical evaluation and integration of research results obtained in tasks specified by the task manager, taking into account requirements, literature comparisons and application aspects in project implementation
- active participation in the preparation of interim and final reports, task implementation descriptions, presentation of results
- participation in the preparation of scientific publications, conference presentations and materials disseminating the project results

- close cooperation with project leaders/contractors to ensure the consistency and complementarity of the research carried out
- ensuring the high scientific quality of the work carried out, compliance with the principles of good research practice, health and safety, and research data management principles

REQUIREMENTS

- PhD degree in science and natural sciences or engineering and technology, in particular in the disciplines of chemistry, physics, materials engineering, chemical engineering
- obtaining a doctoral degree in the year of employment in the project or within 12 years prior to 1 January of the year of employment in the project
- obtaining a doctoral degree from an entity other than Gdańsk University of Technology or completing at least a 10-month, continuous and documented scientific internship
- documented experience in conducting scientific research in the field of chemical synthesis (organic and inorganic) and analytical methods
- documented professional experience in conducting scientific research in the field of preparation and characterization of nanomaterials, catalysis or related research topics
- experience in electrochemical research
- experience in obtaining and/or implementing research grants
- experience in independent planning and implementation of research experiments as well as analysis and interpretation of results
- authorship or co-authorship of publications in peer-reviewed scientific journals
- experience in teamwork in research projects, including cooperation with doctoral students, students, or junior researchers
- knowledge of English at least B2 level (spoken and written)
- ability to use software for the analysis and visualization of measurement data (e.g., Origin) and graphic design software (e.g., Corel)

ADDITIONAL REQUIREMENTS

- ability to use other graphics programmes

BENEFITS

- work for one of the leading technical universities in Poland
- academic organisational culture based on the principles of respect
- stable employment conditions
- additional annual salary
- opportunity to relax at Gdańsk Tech's Resort, located in the picturesque Kaszuby Lake District
- trips abroad within the Erasmus+ program
- internal trainings
- access to the university library
- option to join: employee group life insurance, private medical care, sports and recreation program (Benefit MultiSport card)
- sports activities at Gdańsk Tech's facilities
- on campus there are: kindergarten, baby changing and feeding stations, refreshment kiosks, relaxation areas and free parking lot
- holiday subsidies
- preferential loans
- work in a well-connected place
- and much more... For a full list of benefits visit: <https://chr.pg.edu.pl/en/join-us>

REQUIRED DOCUMENTS

- CV
- doctoral degree diploma (PhD)
- list of scientific achievements

PLACE AND FORM OF THE OFFERS

- By e-mail to the address: biuro.wch@pg.edu.pl
- In the title of e-mail, please enter: Assistant profesor in the research staff group (ref. no. 3800)

ELIGIBILITY CRITERIA

The eligibility criteria will relate to the requirements of a given competition and will concern a qualitative and quantitative assessment of the candidate's qualifications, competences, experience and achievements.

ADDITIONAL INFORMATION

- The competition can be finalized without selection of the candidate.
- Winning the competition does not mean that the candidate will be employed. The final decision on employment is made by the rector.
- One can report any special needs related to the recruitment process (interview), resulting from disability, by sending such information to the e-mail address provided in the advertisement.
- [Documents for the candidates.](#)

E-mail address: biuro.wch@pg.edu.pl

Note

If you provide data other than: first name(s), surname, date of birth, contact details, education, professional qualifications, previous employment history please include the following clause:

I hereby consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purposes of the recruitment process conducted for the position I am applying for.

Information on the principles for the processing the personal data of job applicants:

1. The Data Controller presented in the job offer is Gdańsk University of Technology with its seat at ul. G. Narutowicza 11/12, in Gdańsk (postal code: 80-233).
2. The Data Controller appointed the Data Protection Officer (DPO), who may be contacted via email address: dpo@pg.edu.pl. You may contact the DPO in all matters relating to the processing of your personal data by Gdańsk University of Technology and the exercise of rights in relation to the processing of personal data. The DPO, however, does not process other matters, like handling the recruitment procedures, collecting recruitment documents, providing information on current recruitment process.
3. Your personal data shall be processed in the scope as provided for in the Labor Code , i.e. given name (names) and family name, date of birth, contact information, education, professional qualifications, previous employment history, for the purposes of this recruitment process (pursuant to Article. 6(1)(c) of GDPR*), whereas other data shall be processed based on your consent (pursuant to Article 6(1)(a) of GDPR*), as follows:
I consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purpose of the recruitment process conducted for the position I am applying for.
4. Your personal data will be stored for a period of 6 months counting from the completion of the recruitment process for the position advertised and, in the case of successful start of employment, until the termination of the employment relationship, and will then be archived and kept for a period of 10 years.
5. The provided data will not be made available to third parties. The recipients of the data will only be institutions authorized by law.
6. Under the terms of the GDPR*, you have the right:
 - a. to access the content of your data,
 - b. to rectify the personal data when they are inconsistent with the reality,
 - c. to delete, limit the processing, as well as data transfer, pursuant to applicable regulations,
 - d. to object to the processing of your data,
 - e. to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection, if you consider that the processing of your personal data violates the provisions on the personal data protection,
 - f. to withdraw your consent at any time (if expressed, without affecting the lawfulness of processing carried out on the basis of the consent before its withdrawal).
7. The personal data provided by you will not be subject to profiling.
8. Providing your personal data to the extent resulting from Art. 22¹ of the Labor Code is obligatory to participate in the recruitment process for the position you applying for. Providing other data by you is voluntary.

*GDPR - Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
