TASKS / ROLE

- conducting research as part of the OPUS 25 project entitled “Dangerous Heritage: Harmful Contaminants and Their Identification in the Fabric of an Industrial Heritage Site, and a Model for Its Conservation”, grant agreement No. UMO-2023/49/B/HS2/01364
- carrying out visual conservation inspections and fieldwork
- conducting archival research and literature reviews
- preparing photographic documentation and producing in situ sketches
- conducting architectural surveys and recording selected structures
- preparing documentation using Structure from Motion (SfM) photogrammetry
- processing photographic material to generate 3D models
- managing datasets containing the results of the analyses performed
- preparing manuscripts, oral presentations and conference posters based on the research findings
- participating in the activities of the research team's advisory panel
- developing and publishing research findings

REQUIREMENTS

- a doctoral degree obtained at an institution other than Gdańsk University of Technology, or at least 10 months of research experience gained at an institution outside Gdańsk University of Technology and in a country other than the country in which the doctoral degree was awarded
- the doctoral degree must have been awarded in the year of employment on the project or within the seven years preceding 1 January of the year of employment on the project (funding agency requirement)
- experience in conducting research in the fields of cultural heritage, architecture, architectural history, or the protection and conservation of historic monuments
- experience in the documentation and digital processing of historic buildings and heritage sites
- fluency in English, enabling the preparation of scientific publications and the presentation of research findings in an international academic environment
- very good command of German, enabling independent archival research, as well as the reading and analysis of historical archival sources

BENEFITS

- employment at one of Poland's leading technical universities, which co-creates modern science and education
- a friendly working environment based on cooperation, mutual respect, and academic values
- stable employment and transparent working conditions
- opportunities for scientific and academic career development in an inspiring academic environment
- access to modern research, teaching, and laboratory infrastructure supporting research and teaching activities
- opportunities to take part in international mobility under the Erasmus+ programme and engage in international collaboration
- relocation support and assistance with residence formalities for international employees
- access to Gdańsk Tech Library resources and modern campus infrastructure
- social benefits, including preferential loans, holiday subsidies, and access to the Gdańsk Tech holiday resort, set amid the picturesque lakes and forests of the Kashubia region
- the option to join a private healthcare plan, group life insurance, and the MultiSport recreational programme
- sports activities held at University facilities
- a family-friendly campus, with a kindergarten, baby-changing and feeding facilities, catering points, and relaxation areas
- work in a location with excellent transport connections, with the possibility of using free parking spaces

REQUIRED DOCUMENTS

- a CV containing a detailed description of academic and research achievements, including a chronological list of publications
- documents confirming the academic degrees obtained
- information on professional experience and achievements
- optional: a letter of recommendation from a senior academic (an independent researcher) as an additional asset supporting the application

PLACE AND FORM OF THE OFFERS

- By e-mail to the address: katarzyna.wojciechowska@pg.edu.pl
- In the title of e-mail, please enter: POST-DOC ref. no. 4009

Note

If you provide data other than: first name(s), surname, date of birth, contact details, education, professional qualifications, previous employment history please include the following clause:

I hereby consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purposes of the recruitment process conducted for the position I am applying for.

Information on the principles for the processing the personal data of job applicants:

1. The Data Controller presented in the job offer is Gdańsk University of Technology with its seat at ul. G. Narutowicza 11/12, in Gdańsk (postal code: 80-233).
2. The Data Controller appointed the Data Protection Officer (DPO), who may be contacted via email address: dpo@pg.edu.pl. You may contact the DPO in all matters relating to the processing of your personal data by Gdańsk University of Technology and the exercise of rights in relation to the processing of personal data.
   The DPO, however, does not process other matters, like handling the recruitment procedures, collecting recruitment documents, providing information on current recruitment process.
3. Your personal data shall be processed in the scope as provided for in the Labor Code , i.e. given name (names) and family name, date of birth, contact information, education, professional qualifications, previous employment history, for the purposes of this recruitment process (pursuant to Article. 6(1)(c) of GDPR*), whereas other data shall be processed based on your consent (pursuant to Article 6(1)(a) of GDPR*), as follows:
   I consent to the processing of my personal data contained in the recruitment application by Gdańsk University of Technology (ul. G. Narutowicza 11/12, 80-233 Gdańsk, Poland) for the purpose of therecruitment process conducted for the position I am applying for.
4. Your personal data will be stored for a period of 6 months counting from the completion of the recruitment process for the position advertised and, in the case of successful start of employment, until the termination of the employment relationship, and will then be archived and kept for a period of 10 years.
5. The provided data will not be made available to third parties. The recipients of the data will only be institutions authorized by law.
6. Under the terms of the GDPR*, you have the right:

   a. to access the content of your data,
   b. to rectify the personal data when they are inconsistent with the reality,
   c. to delete, limit the processing, as well as data transfer, pursuant to applicable regulations,
   d. to object to the processing of your data,
   e. to lodge a complaint to the supervisory authority - the President of the Office for Personal Data Protection, if you consider that the processing of your personal data violates the provisions on the personal data protection,
   f. to withdraw your consent at any time (if expressed, without affecting the lawfulness of processing carried out on the basis of the consent before its withdrawal).

7. The personal data provided by you will not be subject to profiling.
8. Providing your personal data to the extent resulting from Art. 22^1 of the Labor Code is obligatory to participate in the recruitment process for the position you applying for. Providing other data by you is voluntary.

*GDPR - Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
